

Old Testament I

ASSIGNMENT

During the class meeting students will pick a pericope from the book of Ruth to work in for the entire course.

- Photocopy your pericope and make as many observations as you can.
- Read your pericope and write what your initial impressions are: impressions are what student initially believes the passage means simply from reading it, not from prior study or commentaries.
- Now read the whole book and listen and ask critical and reflective questions of your pericope:
 - Critical questions will include what you want to learn about the pericope (how, what, where, when, why, who, etc.).
 - Reflective questions will also be included (how the text challenges YOU personally).
- Formatting: 12 pt New Roman Font, 1 inch margins all around, double space
 - On your cover place your name, your pericope and which biblical translation you will be using (NRSV, NAB, NIV, etc.)
